

EMERGENCY MEDICINE FELLOWSHIP

PROFESSIONAL EMERGENCY PHYSICIANS, INC

A physician owned Emergency Department group who is currently offering Board-certified/Board-eligible family practice physicians a one-year fellowship opportunity to work alongside Board-certified Emergency physicians in two high-volume emergency departments, including an urban community-based hospital and a tertiary care referral/Level II Trauma center, in order to become well-versed in the care of high acuity patients in the emergency department setting.

FELLOWSHIP DETAILS

A 12-month fellowship comprised of rotating shifts in the emergency department combined with intensive critical care and trauma training focus. The intent is to provide a high-quality educational experience in order to prepare the graduate to work full-time in emergency departments in rural and suburban settings.

Four positions are offered yearly with a \$75,000 stipend per year. Full benefits are offered including liability insurance, health insurance, and disability insurance. Diagnostic and procedural ultrasound, rigorous airway management and critical procedure skills training will be provided. An emphasis in risk management, EM approach to patient care, and case-based training will be seen during the weekly Tuesday morning didactics. Weekly online Board Review lectures are provided focusing on Core Content EM topics presented in conjunction with attending physicians' case-based lectures in a "flip the classroom" format to help prepare the fellow to practice in the community hospital Emergency department setting. The fellow will participate in a monthly Journal Club series at EM Grand Rounds.

Parkview Regional Medical Center

Parkview Hospital Randallia
